Reason for Suggestion	<p>ALA's <i>Booklist</i> says, "The artwork is cheerful and bright with high-contrast colors, depicting wonderfully unusual animals...Perhaps the truest charm of this book lies in its language, rich with assonance, alliteration, and internal and end rhymes and liltily cadenced with read-aloud rhythm."</p>  <ul style="list-style-type: none">• INTERACTIVE: Silly, rhyming text invites readers to assess, re-assess and make predictions.• ENGAGING FORMAT: The book's large format and gatefold at the end fully immerse children in the reading experience.• VISUALLY DRIVEN: The wacky and loveable illustrations drive the story line while providing humor and interest.• STEM: The book introduces a variety of unusual animals and encourages children to count and make estimates.
